

This is our Performing Arts uniform. On the left is the basic uniform worn each day around college. These are referred to as our “blacks”. They must have not logos and should be black not grey. We have this uniform as this is what is considered to be the most effective rehearsal-wear and expected at Drama Schools.

Acting students will only be required to wear basic blacks.

Dance and Musical Theatre students will wear the uniform and relevant shoes as displayed below.

A uniform and kit list for each course is available from teaching staff.
