## Welcome to the Pendleton School of Theatre

Thank you for applying to study at the Pendleton School of Theatre.

The Pendleton School of Theatre has an undisputed reputation for outstanding teaching and training, and for ensuring that all students are given the support and encouragement they need to pursue their dreams. Support will be offered to enable all of our students to make a confident and informed decision about the next stage of their career – whether it is a place at a drama school, university or full-time employment.

On top of this, our enrichment programme is extensive. Students come to Pendleton because they know that we will give them the best chance to progress to drama schools, dance academies, technical theatre courses and top performing arts universities across the United Kingdom, United States of America and Europe. We simply have an outstanding track record for progression.

We are extremely proud of the achievements of our students and we look forward to welcoming you to Pendleton as a student in September.
